School Vision

"for all children to grow into responsible, caring individuals who actively and positively contribute to the community."

At Petersgate Infant School, our vision outlined above is strengthened by our values of safety, caring, achievement, resilience and friendship. These values symbolise warmth, community and cohesion to ensure we are "working together to achieve our best".

As a school, we can apply these values through the following aims:

Aims

- Ensuring everyone stays healthy and safe.
- Ensuring everyone feels valued and has a sense of belonging.
- Providing a high quality learning environment.
- Helping everyone enjoy learning and achieving their best.
- Nurturing and developing the whole child.
- Ensuring everyone makes a positive contribution to the school and wider community.

Safeguarding at Petersgate Infant School is carried out in line with the statutory guidance in 'Keeping Children Safe in Education' published by the Department for Education.

1. Introduction

At Petersgate Infant School we believe that regular school attendance is essential if children are to achieve their full potential. We value the attendance of all pupils. Missing lessons leaves children vulnerable to falling behind and can put them at risk of wider harm. There is a [wide range of evidence](#) as to the health and wellbeing benefits of school-age education. [Research](#) commissioned by the Department for Education shows missing school for even a day can mean a child is less likely to achieve good grades, which can have a damaging effect on their life chances. As set out in this policy, we will work with families to identify the reasons for poor attendance and try to resolve any difficulties at the earliest opportunity.

Our attendance policy aims to give clear guidance to staff, parents, pupils, and governors / trustees to:

- Promote good attendance, enabling pupil's achievement by establishing the highest possible levels of attendance and punctuality.
- Recognise the key role of all staff in promoting good attendance.
- Provide a clear framework for monitoring and responding to pupil absences, acting early to address patterns of absence.
- Building strong relationships with families to ensure pupils have the support in place to attend school.
- Promote positive support systems and advocate multi-agency approaches to improve attendance.
- Make parents aware of their legal responsibilities and ensure their children have access to the education to which they are entitled.

We recognise that attendance is a matter for the whole school community. Our Attendance Policy should not be viewed in isolation; it is a strand that runs through all aspects of school improvement, supported by our policies on safeguarding, prevention of bullying, behaviour, and inclusive learning. This policy also considers the Human Rights Act 1998, the Equality Act 2010, UN Convention on the Rights of the Child, and other relevant legislation.

2. Legal Framework

This policy meets the requirements of the [Working together to improve school attendance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#).

Section 7 of the 1996 Education Act states that parents must ensure that children of compulsory school age receive efficient full-time education suitable to their age, ability, and aptitude to any special educational needs they may have, either by regular attendance at school or otherwise. A child is of compulsory school age at the beginning of the term following their 5th birthday. A child ceases to be of compulsory school age on the last Friday in June of the school year in which they reach the age of 16.

The government expects all schools and local authorities to:

- Promote good attendance and reduce absence, including persistent and severe absence.
- Ensure every pupil has access to full-time education to which they are entitled.

- Act early to address patterns of absence.

Parents are expected to perform their legal duty by ensuring their children of compulsory school age who are registered at school attend regularly.

In accordance with the Education Act 1996, we will work with parents and carers and the Local Authority to ensure that parents and carers are supported to secure education for children of compulsory school age. Where required, we will formalise support and where necessary, work with the LA to use legal measures.

A “Parent” is defined as:

- Any natural parent, whether married or not.
- Any parent who, although not a natural parent, has parental responsibility as defined in the Children Act (1989) for a child or young person.
- Any person who, although not a natural parent, has care of a child or young person.

3. Roles and Responsibilities

At Petersgate Infant School, we believe that improving school attendance is everyone’s business. It is a shared responsibility by governors, all school staff, parents, pupils, the wider school community and multi-agency partners. We aim to always work in partnership with our parents.

Role	Name	Contact details
Senior Attendance Lead	Wendy Mitchell (Headteacher)	Main school office
Attendance Officer	Marie Robb Family Support Liaison Officer	Main school office
Named Governor	Helen Glover (CoG)	Main school office

The Governors of Petersgate Infant School recognises the importance of school attendance and promotes it through the school’s ethos and across its policies. They may take an active role in attendance improvement by:

- Setting high expectations of all leaders, staff, pupils, and parents so that children attend school every day and are safeguarded.
- Identifying a member of the governing body/trustee to lead on attendance matters and ensuring that there is a named senior manager to lead on attendance.
- Prioritising attendance in strategies, such as raising attainment, behaviour and combatting bullying, special educational needs and disabilities, wellbeing, and safeguarding.
- Ensuring school leaders fulfil expectations and statutory duties by rigorously evaluating the effectiveness of the school’s attendance procedures so that consistent attendance support is provided for all pupils.
- Ensuring the schools’ attendance management processes are delivered effectively, and that consistent attendance support is provided for pupils who require it most by prioritising the staff and resources needed. This includes ensuring schools engage and work effectively with the local authority School Attendance Support Team and wider local partners and services.

- Regularly reviewing attendance data, discussing, challenging trends, and helping school leaders focus improvement efforts on the individual pupils or cohorts who need it most.
- Ensuring high aspirations are maintained for all pupils and processes for support are adapted to the individual needs of pupils including those with long term illnesses, special educational needs and disabilities, pupils with a social worker, those pupils under the Virtual School and pupils from cohorts with historically lower attendance such as those eligible for free school meals.
- Ensuring all school staff receive adequate training on attendance and that relevant staff have access to opportunities to share and learn from good practice in other schools.
- Ensuring that attendance data is shared with the Local Authority or Department for Education in line with statutory reporting deadlines.
- Reviewing the school's Attendance Policy on at least an annual basis, ensuring that the required resources are available to fully implement the policy, which is published and publicised regularly so that it is easily accessible to pupils, parents and staff.

The Senior Management Team at Petersgate Infant School will:

- Actively promote the importance and value of good attendance to pupils and their parents.
- Form and maintain positive relationships with pupils and parents.
- Ensure that there is a whole school approach which reinforces good school attendance, with good teaching and learning experiences, with a whole school culture that encourage all pupils to attend and to achieve.
- Make sure all teaching and non-teaching staff know the importance of good attendance, are consistent in their communication with pupils and parents, and receive the training and professional development they need.
- Have a clear school attendance policy which all staff, pupils and parents understand. Monitor the implementation and effectiveness of the Attendance Policy and ensure that the policy is reviewed annually.
- Ensure the school have accurate, complete admission and attendance registers and have effective day to day processes in place to follow-up absence.
- Regularly monitor and analyse attendance and absence data to identify pupils or cohorts that require support with their attendance and put effective strategies in place.
- Share information and work collaboratively with other schools in the area, local authorities, and other partners where a pupil's absence is at risk of becoming persistent or severe.
- Ensure that there is a named Senior Attendance Champion to lead on attendance and allocate sufficient time and resource.
- Attend the termly school attendance supporting meetings with the local authority, focusing on those pupils with severe absence, making sure a regularly reviewed plan is in place.

All staff at Petersgate Infant School will:

- Actively promote the importance and value of good attendance to pupils and their parents.
- Form positive relationships with pupils and parents.
- Contribute to a whole school approach which reinforces good school attendance; with good teaching and learning experiences that encourage all pupils to attend and to achieve.
- Know the importance of good attendance, are consistent in their communication with pupils and parents, and receive the training and professional development they need.

The member of staff responsible for attendance will work to further develop relationships with families to bring about improved attendance. This may involve seeking multi-agency support. The school Designated Safeguarding Lead and Deputy Designated Safeguarding Leads monitor attendance. Any concerns regarding attendance are raised with the DSL and DDSLs who will look into and offer additional support for families, where needed.

Petersgate Infant School requests that parents:

- Take a positive interest in their child's work and educational progress.
- Ensure their child has regular attendance at school.
- Instil the value of education and regular school attendance within the home environment.
- Contact the school if their child is absent to let them know the reason why and the expected date of return, following this with a note wherever possible.
- Avoid unnecessary absences; for example, by making medical and dental appointments for outside of school hours.
- Ask the school for help if their child is experiencing difficulties with any aspect of their schoolwork or home and family life.
- Inform the school of any change in circumstances that may impact on their child's attendance.
- Support the school by becoming involved in their child's education, forming a positive relationship with school, and acknowledging the importance of children receiving the same messages from both school and home.
- Maintain effective routines at home to support good attendance.
- Attend all meetings requested to discuss attendance issues.

Further information can be found at: [Attendance guidance for parents | Hampshire County Council \(hants.gov.uk\)](https://hants.gov.uk/attendance-guidance-for-parents)

Pupils will:

- Be aware of the school's attendance policy and when and where they are required to attend. This will be communicated to them by school staff, parents and through the school timetable.
- Speak to their class teacher or another member of staff if they are experiencing difficulties at school or at home which may impact on their attendance.
- Attend all lessons ready to learn, with the appropriate learning tools requested and on time for the class.
- All absences are followed up by school staff and the class teacher will alert the admin team of an absence which is then followed up. If there are safeguarding concerns regarding key children and/or families, then a home visit will be conducted to check on the well-being/welfare of the child.
- If a parent has not let the school know of a reason for absence on the first day, a call home will be made
- Follow the school procedure if they arrive late. This will help the school to monitor attendance and keep accurate records for the child's individual attendance. This is also vital for health and safety in the event of a school evacuation.

4. Categorising Absence and Attendance

When marking our registers, we will apply the national codes as outlined and regulated by the Department for Education guidance to accurately record and report attendance.

4.1 Leave of Absence

Since September 2013, changes to Government regulations and guidance mean that Headteachers can no longer authorise leave of absence unless there are exceptional circumstances. Generally, the DfE does not consider a need or desire for a holiday or other absence for the purpose of leisure and recreation to be an exceptional circumstance. Leave of absence should not be granted for a pupil to take part in protest activity during school hours. All absences associated with a holiday or other absence for the purpose of leisure and recreation during term time will be marked as unauthorised within the register. Any parents known to have removed their child from school for the sole purpose of a holiday or other absence for the purpose of leisure and recreation may be referred to the Local Authority and be issued with a penalty notice fine or referred to the Local Authority to consider prosecution.

We believe that children need to be in school for all sessions so that they can make the most progress possible. However, we do understand that there are times where a parent may legitimately request leave of absence for a child due to 'exceptional circumstances'. At Petersgate Infant School, leave of absence is only granted at the discretion of the Headteacher and shall not be granted unless there are 'exceptional circumstances'.

Petersgate Infant School will respond to all applications for leave of absence in writing.

Parents wishing to apply for leave of absence during term time must apply in writing to the Headteacher at least a month before the planned leave (see Appendix 2). If a written request for leave of absence is not completed and the leave is taken without a request being submitted, the leave will not be considered by the Headteacher, and it will be marked as unauthorised. Petersgate Infant School will treat each application individually and discuss with you the circumstances of the application before a decision is made. Retrospective requests will not be considered and therefore will result in the absence being categorised as unauthorised.

A penalty notice request or a referral for prosecution may be submitted to the Local Authority should: -

- The parent fails to submit a leave of absence request in advance of taking the leave.
- An application for a leave of absence is not agreed by the Headteacher but is still taken.
- A longer period is taken more than the agreed number of days.

When absence is granted by the Headteacher, the parents will need to agree a date of return. If a pupil fails to return on the expected date and contact is not received from, or made with the parents, school will seek advice from the Local Authority. This could result in possible children missing from education procedures being instigated.

The 1996 Education Act also sets out the circumstances in which a pupil has not failed to attend school regularly and therefore the parent has not committed an offence.

4.2, 4.3, 4.4 are examples of these. The full list is in the Appendix 6.

4.2 Medical Appointments and absence due to illness

Parents should try to make appointments outside of school hours wherever possible. Where appointments during school time are unavoidable, we ask that parents notify the school in advance of the appointment wherever possible. The pupil should only be out of school for the minimum amount of time necessary for the appointment. In most circumstances, a child should not miss a

whole day at school for an appointment. If a pupil must attend a medical appointment during the school day, they must be collected from the school office. No pupil will be allowed to leave the school site without parental confirmation.

In line with Department for Education guidance, if we do have a genuine concern about the authenticity of the illness, we may ask the parent to provide medical evidence, such as a prescription, appointment card, or other appropriate form of evidence. If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised.

Where a child has an emerging a pattern of non-attendance, we will discuss the reasons for absence with the child's parent. We will invite parents to attend a support meeting as an appropriate early intervention strategy. As part of this support, we may seek consent from parents and the pupil as appropriate to make a referral to the School Nursing Team and/or to liaise with the child's healthcare professional.

Where a pupil has a verified and chronic health condition, we will aim to work with parents to ensure children have access to education and provide appropriate support in line with [Supporting pupils with medical conditions at school](#) and Hampshire policies regarding supporting children with health issues, [Behaviour and attendance resources for schools | Hampshire County Council \(hants.gov.uk\)](#). We will also consider whether an Individual Healthcare Plan is required.

4.3 Pupil Absence for the purposes of Religious Observance

Petersgate Infant School acknowledges the multi-faith nature of British society and recognises that, on some occasions, religious festivals may fall outside school holiday periods or weekends and is recognised as such by a relevant religious authority. Where this occurs, the school will consider either authorising the pupil absence or making special leave for religious observance. Parents are requested to give advance notice to the school.

[Working together to improve school attendance - GOV.UK \(www.gov.uk\)](#) page 86

4.4 Parent travelling for occupational purposes

The pupil is a mobile child and their parent(s) is travelling in the course of their trade or business and the pupil is travelling with them. A mobile child is a child of compulsory school age who has no fixed abode and whose parent(s) is engaged in a trade or business of such a nature as to require them to travel from place to place.

To ensure we can effectively support all our pupils, we ask that parents:

- Advise the school of their forthcoming travelling patterns as soon as these are known and before they happen; and
- Inform the school regarding proposed return dates.

4.5 Unauthorised Absence

Absence will not be authorised unless parents have provided a satisfactory explanation and it is accepted as such by the school. The decision to authorise absences is at the discretion of the Headteacher.

Examples of unsatisfactory explanations include but are not limited to:

- A pupil's/family member's birthday

- Shopping for uniforms
- Arrangements or appointments for cutting the pupil's hair
- Closure of a sibling's school for INSET (or other) purposes
- An unwillingness to attend school, or inability to attend owing to inadequate personal/family organisation
- A refusal to attend school on health grounds but where the pupil is considered well enough to attend
- Absences taken without the authorisation of the school

5. Our Procedures

5.1 Register Keeping and Recording

The Education (Pupil Registration) (England) Regulations 2006, as amended by 2016 regulations, require schools to take an attendance register twice a day, once at the start of the morning session and then again during the afternoon session.

For the purpose of this policy, the school defines:

“Absence” as:

- Arrival at school after the register has closed
- Not attending school for any reason

“Regular” attendance as:

- Attendance at every session the school is open to pupils unless their absence has been authorised

Pupils must arrive in school by 08:50 on each school day.

The register for the first session will be taken at 08:50 and will be kept open until 09:10 and then the registers close. After 08.50, this will be deemed late and marked accordingly on the register. The register for the second session will be taken at 13:00.

Registers are legal records and all schools must preserve every entry in the attendance or admission register for 6 years from the date the data was entered. As the attendance register is a record of the pupils present at the time it was taken, the register should only routinely be amended where the reason for absence cannot be established at the time it is taken and it is subsequently necessary to correct the entry. Where amendments are made, all schools must ensure the register shows the original entry, the amended entry, the reason for the amendment, the date on which the amendment was made, and the name of the person who made the amendment

On each occasion the register is taken the appropriate national attendance and absence code must be entered for every pupil (of both compulsory and non-compulsory school age) whose name is listed in the admission register at the time. The codes enable schools to record and monitor attendance and absence in a consistent way and are used to collect statistics. The data helps schools, local authorities, and the government gain a greater understanding of the delivery of education and the level of, and reason for, absence.

Reporting to parents

The school will regularly inform parents about their child's attendance and absence levels periodically throughout the year as part of our reporting process in November, February, May and the end of year. Attendance and absence is monitored rigorously each month. If absence falls below 90%, then a phone call is made home to discuss further. The attendance continues to be monitored. However, if attendance does not improve and drops below 85%, then a further phone call will be made, a letter issued and a meeting made with parents to discuss how the school can support the family in improving attendance. Attendance and absence is also discussed weekly as part of our inclusion meeting and any concerns raised further support will be offered to parents to support their child coming to school.

5.2 Late Arrival at School

At Petersgate Infant School all pupils are expected to arrive on time for every day of the school year. The school day begins at 08:50, the classroom doors are opened at 08:40 and pupils are encouraged to be in school at that time. Morning registration is at 08:50 and it closes at 09:10. We advise all parents to ensure their child is on site prior to this. The school register will be taken at 08:50. All pupils arriving after this time are required to report to the main office with their parents and provide a reason for their absence and this will be logged on the register. If their arrival is before 9:10am it will be recorded as late - L code (Late before the close of register).

The school register will officially close at 09:10. All pupils arriving on or after this time will be marked as having an unauthorised absence for the morning session - U code (late after the close of register). This is categorised as an unauthorised absence for the session. Parents will be contacted to discuss any patterns of late arrival. Repeated arrival after the close of registration will result in appropriate interventions being instigated and may also result in a penalty notice being issued or prosecution.

Registers are legal records and all schools must preserve every entry in the attendance or admission register for 6 years from the date the data was entered. As the attendance register is a record of the pupils present at the time it was taken, the register should only routinely be amended where the reason for absence cannot be established at the time it is taken and it is subsequently necessary to correct the entry. Where amendments are made, all schools must ensure the register shows the original entry, the amended entry, the reason for the amendment, the date on which the amendment was made, and the name of the person who made the amendment.

5.3 Expected absence procedure for parents:

A parent has a legal responsibility to ensure that their child attends school regularly. If a child is unavoidably absent from school, parents are expected to contact school by 8:40 on the first day of absence and on each subsequent day, identifying the reason for absence and the expected date of return. If no contact is received, then absence protocols will be instigated.

If a child is absent, the following actions will be initiated by the school:

- The first day calling procedures will be activated for all pupils who are not in school after close of register at 9:10am and where no reason for absence is known.
- If there is still no contact made from the pupil's parents, a further telephone call home will be made again that morning and Arbor message asking parents to contact school. If no response can be gained, the child's named emergency contact will be telephoned.

- If school cannot contact a parent, a home visit may be carried out to check on the child's well-being.
- School will telephone home if a pupil leaves the school without permission.

In certain circumstances the school may also:

- Visit the home of the pupil.
- Write to the parents of a pupil to highlight attendance or punctuality issues.
- Invite parents to discuss how school can support the family to make improvement.
- Refer to Inclusion Support Service for support, guidance, and advice.
- Refer to the Local Authority for joint enquiries to be made to establish the whereabouts of the child through [Inclusion Support Service \(ISS\) | Hampshire County Council \(hants.gov.uk\)](https://www.hants.gov.uk/inclusion-support-service) and [Behaviour and attendance resources for schools | Hampshire County Council \(hants.gov.uk\)](https://www.hants.gov.uk/behaviour-and-attendance-resources-for-schools)
- Refer to the Local Authority to consider issuing a notice to improve letter, penalty notice or to consider prosecution when all other interventions have failed, or an unauthorised leave of absence has been taken.
- Refer the matter to an appropriate external agency for multi-agency support, such as implementing a Family Support Plan or consulting with the Children's Social Care or the police, where there are safeguarding concerns.

5.4 Attendance Rewards & Interventions

- Attendance is highlighted in initial parent meetings for the new Year R children
- Supporting attendance leaflet available to offer advice
- Family Support Liaison Officer/Deputy Designated Safeguarding Lead who will meet with parents to discuss ways to support attendance
- Attendance is celebrated through the fortnightly newsletter
- Improvements in attendance and/or punctuality is recognised and celebrated through a phone call home/certificate
- The importance of good attendance and punctuality is regularly highlighted in the fortnightly newsletter, along with other school communication
- School work in partnership with identified children/families to support regular attendance and punctuality. This is monitored daily through attendance registers and any concerns are logged on our CPOMS reporting system. The Family Support Liaison Officer or Headteacher may make calls to parents to highlight a dip in attendance/punctuality or concern regarding attendance/punctuality. Where support is needed, an action plan is put into place which is individualised for that family. This may include the use of the school's breakfast club and/or collection from home. The introduction of the 'Wide Awake Club' for identified children will support punctuality for identified children
- During weekly inclusion meetings, the Family Support Liaison Officer and Safeguarding Leads discuss concerns around attendance and strategise together a way forward to support families and children about attending school and on time
- The school works with Children's Services, where attendance is becoming a concern. Referrals are made where Early Help support and/or Team Around the Family support is given. A Well-being referral may also be made to the Primary Behaviour Service, where behaviour is a barrier in promoting good attendance and/or punctuality

- As part of the analysis of the attendance data, the school forensically use the information on the DfE Banding Analysis Tool to examine children who may be dipping in attendance and are at risk at becoming persistently or severely absent and the school liaises with parents to raise their awareness of the dip in attendance/punctuality and a plan of action is put in place. Any child who is at 93% or under is monitored carefully to strive to improve their attendance over time.
- As a school, we strive to get 95% attendance or as close to national percentages as possible. This is monitored carefully and the school acts in a timely manner to address any attendance concerns. Attendance is regularly reported to governors, along with the strategies the school is taking

Monitor and Analyse attendance

Petersgate Infant School will:

- Monitor and analyse daily, weekly and monthly attendance patterns and trends and deliver intervention and support in a targeted way to pupils and families. This should go beyond headline attendance percentages and should look at individual pupils, cohorts and year groups (including their punctuality) across the school.
- Use this analysis to provide regular attendance reports to class teachers to facilitate discussions with pupils and to leaders (including any special educational needs coordinators, designated safeguarding leads and pupil premium leads). Attendance data is also shared with governors.
- Undertake frequent individual level analysis to identify the pupils who need support and focus staff efforts on developing targeted actions for those cases.
- Conduct thorough analysis of half-termly, termly, and full year data to identify patterns and trends. This should include analysis of pupils and cohorts and identifying patterns in uses of certain codes, days of poor attendance and where appropriate, subjects which have low lesson attendance. This is also shared with governors.
- Benchmark attendance data (at whole school, year group and cohort level) against local, regional, and national levels to identify areas of focus for improvement.
- Devise specific strategies to address areas of poor attendance identified through data.
- Monitor in the data the impact of school wide attendance efforts, including any specific strategies implemented. The findings should then be used to evaluate approaches or inform future strategies.
- Provide data and reports to support the work of the board or governing body and local authority when appropriate.

At Petersgate Infant School we will investigate any pupils who are on track to be persistently absent (PA) and will not wait until attendance is below 90%. We monitor the attendance through the Department for Education (DfE) Analysis Banding Tool to forensically look at attendance and those at risk of becoming persistently absent. We will, therefore, begin looking at attendance at 93% and contact parents to discuss attendance and offer support. This support may help attendance dropping further and we hope that this will help improve the attendance and/or punctuality.

“Persistent absenteeism” (PA) as:

- Missing 10% or more of schooling across the year for any reason.

“Severe absence” (SA) as:

- Missing 50% or more of schooling across the year for any reason.

5.5 Support Systems

At Petersgate Infant School we recognise that poor attendance can be an indication of difficulties in a family’s life. This may be related to problems at home and or in school. Parents are encouraged to inform school of any difficulties or changes in circumstances that may affect their child’s attendance and/or behaviour in school, for example: bereavement, divorce/separation, emerging health concerns. This will help the school identify any additional support that may be required.

We also recognise that some pupils are more likely to require additional support to attain good attendance. The school will implement a range of strategies to support improved attendance based on the individual needs and circumstances of the child.

Strategies we may use to support you include:

- Warm welcome from a named/familiar adult and this also includes the school Learning Support Dog
- Special time with the class teacher to build and strengthen the relationship
- Reward charts
- Special boxes
- Transitional objects
- Breakfast club provision
- If changing at home is a barrier, then the option is there to have that support in school
- Collection from the family home

To plan the correct support, we will always invite parents and pupils to attend a meeting to discuss the concerns and devise a plan to support the child’s regular attendance. Support offered to families will be child-centred and planned in discussion and agreement with both parents and pupils.

5.6 Persistent Absence, Severe Absence and the use of legal interventions

A pupil becomes a ‘persistent absentee’ (PA) when their attendance drops to 90% and below for any reason. Over a full academic year this would be 38 sessions (19 days). Absence at this level could cause considerable damage to a child’s educational outcomes.

A pupil becomes a ‘severe absentee’ (SA) when their attendance drops to 50% and below for any reason. Over a full academic year this would be 190 sessions (95 days). Absence at this level is causing considerable damage to a child’s educational outcomes.

The attendance of all pupils at our school are monitored to identify children who are PA, or are on track to becoming PA. Where emerging concerns are identified we will instigate appropriate and timely interventions as outlined in the section above. Referrals may also be made to external agencies for targeted support. [Inclusion Support Service \(ISS\) | Hampshire County Council \(hants.gov.uk\)](https://www.hants.gov.uk/inclusion-support-service)

If parents fail to engage with support and their child continues to have unsatisfactory attendance/punctuality, a request may be made to the Local Authority to pursue legal proceedings either through a penalty notice, consideration of an Education Supervision Order or prosecution via the Magistrates' Court.

Parents found guilty of failing to secure their child's regular attendance at school under the provisions of the Education Act 1996, will receive a criminal record and a maximum penalty of a £1000 fine under a Section 444 (1) offence or a £2500 fine or up to a 3-month prison sentence, under a Section 444 (1a) offence.

In line with Hampshire County Council guidance, we will notify the Inclusion Support Service of all reduced timetables as soon as a plan has been agreed.

Appendix 2: Example reply to leave of absence request

Dear parent's name

RE: Absence during term time – child's name (child's DOB)

Thank you for your application for absence in term time for child's name. Whilst we appreciate your circumstances, Petersgate Infant School do not approve any absences during term time unless they are due to exceptional circumstances as per the guidance from the Department of Education.

The rationale behind this decision is that the Government has provided evidence that satisfactory progress at school is highly dependent on attendance.

Petersgate Infant School works closely with the Inclusion Support Service and if you choose to take your child out of school for the above unauthorised leave, we will notify the local authority and further action including legal action may be considered.

Please note that such a Penalty is issued to each parent for each child taken out of school. A Penalty Notice is a fine of £80 which increases to £160 if not paid within the first 21 days. Thereafter if the Penalty remains unpaid after 28 days this may result in legal action be taken against you. Parents have a duty to ensure their child's regular attendance at school and failure to do so is an offence under Section 444(1) of the Education Act 1996.

I have noted the dates that child Name will be absent from Petersgate Infant School, dates of leave and the registers will be marked with the G code (unauthorised family holiday) for this period.

If you would like to discuss the matter further, please contact the school on 02392 593950 or email adminoffice@petersgate-inf.hants.sch.uk

Yours sincerely

Appendix 3: Attendance Policy Quick Guide for Parents

Attendance Policy Quick Guide for Parents

We expect pupils to attend school for 100% of the academic year.

You can support your child to have excellent attendance by taking these steps:

- Ensure your child arrives on time for school every day and is ready to learn. Arriving after registration is recorded as an unauthorised absence. Pupils must be in school by 08:50.
- If your child appears to be only slightly unwell, send them in to school. We have staff who will contact you if their condition deteriorates.
- Book any medical appointments outside of school hours. If this is unavoidable, please book for as late in the afternoon as possible and inform the school of appointments in advance.
- Supply a copy of the appointment card or hospital letter if your child has an appointment during school hours.

If your child becomes reluctant to go to school or you need help, please contact the school immediately; we are more likely to be able to work together to solve any problems if we act early.

‘On the day’ absences: what should I do if my child is not ‘fit’ to go into school?

On each day your child is unfit to come to school, please report this absence using the main school line number. If the school office is closed, please leave a message on the answer machine. This is checked when the office is open at 8am. Please **do not** use Seesaw as a way of reporting absence. On the answer machine message you must leave your child’s full name, year and class and give the specific reason for absence. The information you give will be recorded on our official register. If you do not report your child’s absence, this will be chased.

Leave of Absence

There may be exceptional circumstances where you need to request a leave of absence for your child. Please use our ‘Leave of absence request’ form to make these types of requests. The form

should be submitted in advance of the leave of absence, via the school office or emailed into adminoffice@petersgate-inf.hants.sch.uk. You will receive a letter in response, to advise if the request has been granted or declined.

We expect all children to be in school each day. Where possible, please schedule medical appointments outside of school hours. However, if you request for a child to leave for a medical appointment, then we will request evidence of the medical appointment.

In line with our duty of care, if you request to collect your child early for whatever reason, we will ask where they are going and for what purpose. We expect all children to attend the full day at school.

Punctuality

Pupils are expected to arrive on time for school in the morning and for every lesson during the day. Your child is late to school if they have not arrived by 8:50am.

The Government remains very clear that no child should miss school apart from in exceptional circumstances and schools must continue to take steps to reduce absence to support children's attainment. I hope we can count on your support in this matter.

Please contact Petersgate Infant School if you require any support with ensuring your child's regular school attendance.

Attendance Policy Quick Guide for Students

All members of the school community at Petersgate Infant School have roles and responsibilities in promoting and ensuring good attendance and punctuality.

Pupils have a responsibility to themselves and others to play a positive role in the life of the school and to make the most of the education opportunities available.

All pupils will:

Appendix 5: Example of Notice Improve Letter

Notice To Improve Letter for Non Attendance

School attendance is hugely important. For your child to gain the full benefit from their education, for their learning, wellbeing, and wider development, they need to attend school on time, every day possible.

If a child of compulsory school age who is a registered pupil at a school fails to attend regularly at the school or fails to attend regularly the child's parent may be guilty of an offence under s.444 Education Act 1996. If your child is a registered pupil at an alternative provision in the circumstances set out in section 444ZA of the Education Act 1996, the child's parent may be guilty of an offence.

You, **[forename][surname]** are a parent/carer of **[child's name]**, (called in this notice "the pupil") who is a registered pupil at **Petersgate Infant School**.

The school have offered support to you and your family to try and help improve [child's name] attendance, including:

1. **Telephone calls.** The school contacted you every day your child was absent to understand why your child was absent and to offer their support with any issues your child may be having.
2. **An Attendance Overview Letter.** The school wrote to you, letting you know about «Students_Name's attendance, the impact of their continued absence, and inviting you to contact the school to discuss the situation further.
3. **An Attendance Support Meeting.** The school invited you to a meeting to discuss your child's unauthorised absences and to offer support to ensure that their attendance improved. At the meeting you were notified of the consequences should your child continue to have unauthorised absence and you did not effectively engage with the support offered as follows:

OR

An Attendance Support Meeting Invite. The school invited you to a meeting to discuss your child's unauthorised absences and to offer support to ensure their attendance improved. You were notified of the consequences should your child continue to have unauthorised absences but you declined the meeting.

Unfortunately, despite the support that was offered to your family, attendance remains a cause for concern. Between **[warning start date]** and **[warning end date]** **(MUST BE A 10 WEEK PERIOD)** the pupil failed to attend regularly at **Petersgate Infant School**, which resulted in 10 sessions (half days) or more of unauthorised absences being recorded. Please see the attached registration certificate for details.

You now have fifteen school days (3 weeks) in which to improve your child's attendance. During this time your child must show significant improvements in attendance and avoid having any unauthorised absences from school during this period. Should we not see sufficient improvement and further unauthorised absences take place during this period, a Penalty Notice may be issued. A Penalty Notice is charged at £160 if paid within 28 days of deemed service (the second working day following posting). There is usually the opportunity to pay a reduced amount of £80 if paid within 21 days of deemed service of the Penalty Notice.

NB – A Penalty Notice may be issued as soon as an unauthorised absence is recorded.

More information regarding this notice can be found in the attached document – advice and information to parent(s)/carer(s). If you wish to discuss this notice, or discuss what further support is available, please contact our team as soon as possible.

Yours sincerely
