# PSHE

At the beginning of this half term, we all enjoyed taking part in our SCARF Live Online Workshops. These were held by Coram Life Education and supported our learning alongside our SCARF values – Safety, Caring, Achievement, Resilience and Friendship. We joined Harold the giraffe, and took part in a range of virtual activities and games.

In Early Years, we focused on what makes us happy and healthy. We discussed how people experience a range of emotions, and how we can use strategies to help us when we feel sad or angry.

We then played games to build our knowledge and understanding

of healthy foods and foods that we eat as a treat, as well learning about parts of our body that we need to look after – inside and out!

In Years 1 and 2 we also talked about our emotions, and how we can recognise how others may be feeling by reading their body language or their facial expressions.

We then took part in activities and games which supported our understanding of how the body gets energy from food, water and oxygen, and how exercise and sleep are important parts of our healthy lifestyle.

We all really enjoyed our virtual workshops – thank you to Coram Life Education!

#### Park & Stride

To aid the parking difficulties and stressful 'drop off' times for you all, we have liaised with the new owners of Clanfield Sports and Community Centre, Community First to reorganise the 'Park & Stride' that we had before we went into the first lockdown.

Their car park will be open early specifically so that Petersgate parents can park and walk to the school.

Come along, park up and take a short walk to school, enjoying the fresh air and quality time to chat with your child.

### Petersgate Community Celebrations

We would like to extend our celebrations from school achievements to our 'Petersgate Family' achievements!

We would like to write about your achievements in our weekly newsletter to share with other family and friends.

Perhaps you or your child has taken part in an event, has recently achieved something outside of school or helped in the community. We would love to hear all about it!

If you would like to share with us then please **email** your stories with the details of all that you have achieved or taken part in. If you have any photos then we would like to add these too. We look forward to hearing your achievements.

# Eat Them to Defeat Them Campaign 2021

We are taking part in the 'Eat Them to Defeat Them' Campaign.

Next week's 'Veg of the Week' is Peas.

Children can get a sticker when they taste/eat the featured weekly vegetable. The role of the stickers is to reward and to inform you your child has tried that vegetable at school.

We want to encourage children to try each vegetable three times so that they become part of their daily diet.

At the end of day, this is all about eating vegetables – as the only way to defeat them is to eat them!

Please support this fun way of eating and trying new veg by encouraging your child to

'eat the veg to defeat it'.

For more information and downloads please visit the Veg Power website.
